SUMMARY

Passionate and detail-oriented Web Developer with hands-on experience working on live projects at Infosage Digital a Startup. Skilled in HTML, CSS, JavaScript, and WordPress, with a strong focus on creating responsive, user-friendly websites. Looking for an opportunity to contribute to innovative web development projects and expand my expertise in a professional development role.

EXPERIENCE

Web Design/Developer

Jan '25 — Present

INFOSAGE DIGITAL

Hyderabad, India

- Developed and maintained client websites using HTML, CSS, JavaScript, and WordPress.
- Contributed to live, client-facing projects by customizing WordPress themes, integrating third-party plugins.
- Customized WordPress themes and plugins to match client requirements and improve functionality.
- Ensured all websites were fully responsive and optimized for both mobile and desktop views.
- Worked closely with senior developers and design teams to implement responsive designs that function seamlessly across desktop and mobile devices.

PROJECTS

GYM-Portfolio Website

- Designed and developed a responsive portfolio website for a gym business, showcasing fitness services, memberships, and client testimonials.
- Built with HTML, CSS, and JavaScript, focused on creating an interactive and modern design.
- Incorporated sections for gym classes, a schedule, and member registration forms, aiming to create an easy-to-navigate and engaging user experience.
- Deployed the website to a live server, ensuring seamless accessibility and performance.

E-commerce Website

Present

- Built and customized a fully responsive e-commerce site using WordPress and WooCommerce for a local retail business.
- Implemented product pages, payment processing, and inventory management features to create a seamless online shopping experience.
- Optimized the site for SEO and improved load times, resulting in a significant increase in customer engagement and sales.
